

# WESSEX REGION MARINE

[www.anglingtrustwessex.co.uk](http://www.anglingtrustwessex.co.uk)

## BOAT RECORDS (1970 – 2014)

Wessex Region Boat Record Fish Lists are formulated from the data supplied through the Angling Trust Specimen Award Scheme and National Record Lists. Additionally, Wessex Region Club / Members are invited to submit record fish claims, by letter, to the Secretary, enclosing accurate details of the species caught, together with a photograph of the fish.

| Species             | Weight |    |        | Year   | Captor | Affiliated Club |                         |
|---------------------|--------|----|--------|--------|--------|-----------------|-------------------------|
|                     | Imp    |    | Metric |        |        |                 |                         |
